## LETTER TO STUDENTS

---

*To the Students Entering Sweet Briar:*

As President of Sweet Briar College it is I who claim the privilege of being the first to welcome you to its opportunities, its beauties and its obligations. To the students who have already been at Sweet Briar I say simply, "Welcome home to what we intend to make the best and happiest year yet spent at college." If this intention is realized, to the students coming for the first time I offer congratulations on their opening year and urge an ambition to get the best that is there.

Sweet Briar is beautiful and the daily life a bit enchanting with a very direct and simple appeal, but our business is mental and spiritual growth. The student will enjoy the life most who pursues it with an eager mind for new light on the true and the eternal, and who so intelligently manages herself and her time as to keep this in the first place.

One of the cherished ideals of Sweet Briar is the belief that college women are capable of governing themselves and the students are trusted to maintain their own discipline. The honor system prevails, and there is no more valuable acquisition to be gained at college than an understanding of it and a scrupulous self-discipline under it. The President, the Dean and the Faculty stand ready at all times for advice and assistance. Each Freshman has a faculty adviser who will guide and direct her in her work, and in addition a student associate from the upper classes who will aid her to understand the social and student traditions and the real spirit of Sweet Briar. The Freshman class, as a whole, has a general adviser, Miss Mary Searle, who is accessible at all times.

Let me especially urge the Freshmen to arrive in time to be ready for the carefully planned opening program for Freshmen on Tues-

day morning. The Freshmen halls will be ready for students on Monday September 20th.

*Ave atque vale* I say, with expectant eyes aimed only to the future.

Faithfully yours,

META GLASS
